# Toddler Jam Guidelines

To assist our sessions to run smoothly we ask you to take note of the following guidelines.

- Parents and carers are responsible for their own child/ren at all times during the session.
- Food: We will provide platters of fresh fruit and vegetables each week for morning tea. Please refrain from giving your children other food during the session.
- Drinks: water only please, bring your own water bottles.
- Toddler Jam is a nut-free zone
- LJ Baptist is a non-smoking venue.
- Toddler Jam is a breastfeeding friendly event.
- Adults are asked to limit conversations during the music session and to make use of morning tea and play time to catch up with each other.
- If your child is unwell please wait until they are better before attending Toddler Jam.
- Please respect the privacy of others by not taking photos of other people's children, and not displaying photos of others on social media, without prior consent.
- If your child becomes upset or distressed during the session there is a quiet room at the end of the hall which you are welcome to make use of.
- Please be aware that we share premises with the LJ Baptist College and we must try not to disrupt classes.

## Adult Participation

Adults are encouraged to support their child's efforts, and the overall program, by participating with their child/ren during the music session. If you don't feel comfortable joining in the actions or dancing please feel free to clap, tap or just sway!

Please try to minimise conversations with others during the music sessions.

Remember: children are natural imitators and if we model enthusiasm and action they usually follow.

## Community

We look forward to forming a Toddler Jam community with you. Parenting young children can be challenging and it is great if we can support and encourage each other.

## Children's Choice

Does your child have a favourite song? Write it down and pop it in the box or email Janet and we'll do our best to incorporate it into Toddler Jam one week.

## Prayer Support

We would love to support you in prayer. To share a prayer request with us please make use of our prayer box, speak to one of the team members or drop us an email.
